THE EMPOWER YOUTH PROJECT

Saturday | October 17th, 2015 | 11:00a

Immanuel Lutheran Church 47120 Romeo Plank, Macomb MI 48044

This session led by iEmpathize experts is intended to empower youth and equip adults to preventatively recognize and respond to issues of exploitation. This Set Free Youth session introduces youth, youth educators, and youth leaders to the iEmpathize's "Empower Youth Project".

THE CHALLENGE

Teens are targeted for exploitation and therefore need to be empowered to know how to navigate their vulnerabilities in order to stay safe and successful.

THE IEMPATHIZE RESPONSE

The Empower Youth Program for Teens is a tool that helps those already working with youth to facilitate prevention-focused conversations about empathy and exploitation in their schools and neighborhoods. Adults can utilize this five-part series to empower teens 7th grade and up to successfully navigate the vulnerabilities in their lives in order to stay safe from exploitation. The Empower Youth Program differs in that it comes in a content package that any facilitator can use to lead. It also contains non-sensationalized content, featuring no gratuitous or sexualized imagery or language.
